

## **Announcement- Call for Papers**

The Man and Development Journal invites submissions that engage with contemporary issues in development, governance, and social change. We seek work that bridges theory and practice, enriches scholarly dialogue, and offers insights with practical relevance.

- **Themes of Interest:** Sustainable development solutions, policy innovation, social equity, and global development, with emphasis on contributions grounded in empirical research, rigorous analysis, and critical methodological approaches in the social sciences.
- **Submission Timeline:** Manuscripts are accepted on a rolling basis and will be considered for upcoming issues of Man and Development Journal.
- **Submit via email:** [crridpub1@gmail.com](mailto:crridpub1@gmail.com)
- **Submission Guidelines:** Please refer to the guidelines available on our website. (under the head Publication-Journal).
